Park Information

Height restrictions on rides

There are height restrictions on some of the rides at the Park. Specific restrictions can be found on the park maps, which are given to the supervisor on the day of visit. Ride information can also be found on the boards located by the entrance of each ride.

Storage of items

Chessington World of Adventures Resort cannot accept responsibility for items brought to the Park but lockers are available as many of the rides will not allow you to ride with them. Lockers can be found in Adventure Point, Wild Woods, Mexicana, and at Land of the Dragons.

First aid

The First Aid Centre is run by qualified staff and is located behind Croc Drop.

Lost property

Any found items are taken to Adventurers' Services. If you think you might have lost an item on-site, contact us on 01372 729 560 with your visit date and an accurate description of your item.

Lost persons

The First Aid Centre, behind Croc Drop, has a lost persons' facility. You can ask any member of staff for assistance if you become separated from the other members of your party.

Behaviour on park

Good behaviour is expected of all guests visiting the park. Staff are trained to enforce these regulations for the benefit of all guests and will instruct children to behave where necessary.
